OKI

MONO PRINTERS FOR BUSINESSES WHERE PERFORMANCE AND PRODUCTIVITY REALLY MATTER

WHY OKI?

Oki has been in business for over 120 years. We specialise in print-based business communication with a commitment to bringing fast, quality mono and colour printing to the workplace. That's why our products reflect a special understanding of day-to-day business requirements. It's why we have a dealer network providing excellent local support and service. It's also why buying from Oki isn't just a sensible choice, it's a safe decision.

THINK OKI. THINK CLARITY.

Whether your business is a start-up or a multinational, we have the products to suit your needs from dot matrix printers to mono and colour multi-functional units. Because we have such a diverse product range, we have colour-coded our product segments to help you save time. When it's time to add another printer to your range or to check out the latest advances in technology on our website, simply use the following colour guide.

HIGH PERFORMANCE, PROFESSIONAL PRINTERS

The all new B4000 Series printers have been designed utilising proven technologies that have provided success and reliability in the award-winning Okipage 14 Series.

With the B4000 Series printers Oki continues to lead the field in delivering high speed, professional office printing in extremely compact and powerful machines. They are ideal wherever the priorities are fast output, quality printing, unbeatable value and high office productivity.

**POWERFUL
YET COMPACT.
UNBEATABLE
VALUE.**

Oki's proven reliability ensures that whatever the application, from retail to automotive, leisure to high volume printing in banking, the B4000 Series provides years of reliable service.

There are two base models in the B4000 Series. However, when you consider all the available options for networking, upgrades and user-convenience features, you'll find the B4000 Series can be specified to meet your requirements, precisely.

That's why the B4000 Series is ideal for the general business that requires the ability to handle graphics files and to share the printer in workgroups. Demanding users want clean, crisp printing to give reports and spreadsheets that 'professional' look. And thanks to Oki's advanced technology, the B4000 Series delivers 1200 dots per inch (dpi) quality that matches the output of much larger, more expensive machines.

SECONDARY TRAY - CAPACITY OF 500 SHEETS

MULTI-FEEDER - 100 SHEETS / 50 ENVELOPES

10/100BASETX ETHERNET CARD

THE B4200

The B4200 printer is ideal for individual business users who simply want a compact, stylish yet robust printer with fast, quality output and proven reliability. Delivering a productive 18 pages per minute (ppm) with the first page out in just over 6 seconds, the B4200 is ideal for the personal desktop or customer-facing applications such as receptions and health clubs that require quality documents immediately. No other printer offers this level of personal productivity at prices that set the pace for value in mono printers.

**FLEXIBLE,
UPGRADEABLE,
NETWORKABLE
– SIMPLY
PRODUCTIVE.**

THE B4300

The B4300 printers take desktop mono printing to new levels with functionality previously only available to users who were willing to pay a premium for the features of a workgroup printer. For example, the B4300 has a fully-featured operator panel that makes setting up very simple and the control of printing hassle free. The superior speed, coupled with the optional in-built network card makes the B4300 stand as a truly affordable network printer for small to medium sized workgroups. To minimise interventions and

speed up mailshots, transparencies and charts there's a choice of standard or high capacity toner cartridges. Finally, the optional PostScript compatibility ensures that the B4300 is fully compatible with all major software, computer and network operating systems.

B4000 SERIES MONO PRINTERS

		B4200	B4300	B4300N	B4300NPS
Order number		01110801	01110901	01111001	01111101
Speed & throughput	Print speed	18ppm			
	Time to first print	6.2 seconds			
	Warm up time	35 seconds			
	Processor speed	200MHz PowerPC			
Print quality	Resolution	600 x 1200 dpi			
Typefaces	PCL Printer fonts	80 scalable PCL fonts, 4 bitmap fonts			
	Dot matrix fonts	Courier and line printer, various pitches + barcode fonts			
	PostScript fonts	N/A			136 fonts
Compatibility	Printer emulations	PCL5e, PCL6, Epson FX, IBM ProPrinter			PCL5e, PCL6, Epson FX, IBM ProPrinter, PostScript 3
	OS Compatibility	Windows 95 / 98 / 98 SE / ME / NT4 Workstation / NT4 Server / 2000 Workstation / 2000 Professional / 2000 Server / 2000 Advanced Server / XP Professional / XP Home / NT Terminal Server Edition / 2000 Terminal Server with Citrix Metaframe 1.8 or Citrix Metaframe XP 1.0. Mac OS 8.6 (or higher), Mac OS X (10.1 or higher), Variants of Unix and Linux via PPDs			
	Standard interfaces	IEEE1284 Bi-directional parallel, USB 2.0		IEEE1284 Bi-directional parallel, USB 2.0 10/100BaseTX Ethernet	
	Optional interface	25 Pin RS232C serial	25 Pin RS232C serial 10/100BaseTX Ethernet	25 Pin RS232C serial (network card must be removed)	
	Network & protocols	N/A	10/100BaseTX Ethernet card with internal web server for printer and network card set-up and management. Includes POP3 and SMTP mail client for submission of print jobs and for alerts. All major network protocols supported - TCP/IP, Netware, Ethernalk and NetBEUI. TCP/IP - ARP, RARP, IP, TCP, ICMP, UDP, LPR, FTP, TELNET, HTTP(IPP), BOOTP, DHCP, AutoIP, SNMP, DNS, uPnP, SLP, JetDirect protocols. Netware 3.x, 4.x, 5.x and 6 with full NDS and NDPS support:- QServer over IP and IPX, R-Printer, N-Printer, NCP, SPX, IPX, SAP, RIP, NDPS supported via dedicated OKI NDPS Gateway. EtherTalk:- ELAP, AARP, DDP, AEP, NBP, ZIP, RTMP, ATP, PAP, NetBEUI:- SMB, CIFS, WINS, NetBIOS		
	Utilities	N/A	Ok! PrintSuperVision web based printer management software for Ok! and other brand printers. Ok! Admin Manager and quick setup utilities. Ok! LPR utility, Ok! NDPS Gateway, plug-ins for 3rd party management utilities		
Memory	Standard/Max. RAM	8/40MB	16/48MB		
	Flash memory	8/16MB option for storage of fonts, forms and macros			
Paper handling	Internal tray capacity	250 sheets, 60 - 105gsm			
	Internal tray sizes	A4, A5, B5(JIS), A6, Letter, Legal 13, Legal 14, Executive			
	Manual feeder capacity	Single sheet			
	Manual feeder	60 - 120gsm			
	Optional paper input trays	2nd tray: 500 sheets (80gsm), 60 - 105gsm			
	Second tray sizes	A4, A5, B5(JIS), Letter, Legal 13, Legal 14, Executive			
	Optional envelope/multi-feeder capacity	100 sheets (80gsm)/50 envelopes			
	Optional envelope/ multi-feeder sizes Output capacity	A4, A5, B5(JIS), A6, Letter, Legal 13, Legal 14, Executive, envelopes: Monarch, Com-9, Com-10, DL, C5 150 sheets face down, 50 sheets face up			
Operating conditions	Temperature/humidity (operating)	10C – 32C (50 – 90F), 20-80% RH non-condensing			
	Storage	-10C – 43C (14 – 110F), 10-90% RH non-condensing			
Power requirements	Power supply	230 VAC ± 10%, 50 or 60Hz ± 2%			
	Power consumption	Powersave -13W; Idle - 68W, Operating - 350W			
Physical	Noise	53dB(A) or less			
	Size (HxWxD)	200 x 355 x 395mm	215 x 355 x 395mm		
	Weight	Approx. 9kg			
	Max.monthly duty cycle	15,000			
Warranty	Standard	One year return to depot			
Supplies	Toner	2,500 pages @ 5% coverage	Standard capacity toner: 2,500 pages @ 5% coverage, high capacity toner: 6,000 pages @ 5% coverage		
	Image drum	Up to 25,000 pages (continuous print), 17,000 pages @ 3 pages per job
